

# Scotch-Brite™ Clean & Strip XT Discs

All the benefits of the original, plus  
higher performance, faster cut, and longer life.

*New from 3M*

# Scotch-Brite™ Clean & Strip XT Discs

The long life of Purple\* Scotch-Brite™ Clean & Strip XT Discs provides the lowest possible cost with the power to make short work of the following applications:

- Remove weld discoloration, scale, rust, paints and other coatings, gasket and sealing compounds, adhesives, epoxies, and marine algae.
- Condition surfaces prior to welding.
- Clean concrete molds.

## Save time, increase productivity, lower costs

- Stronger and tougher than the original for uniform disc wear and longer life.
- Extra coarse for faster cutting but without damaging the base material.
- Open web construction for cool running and resistance to loading and smearing.
- Faster cutting than wire brushes and wheels to increase production.
- No rust or surface contamination from metal residue.

## Ease and safety of use

- For wide area coverage, discs can be ganged on 3M 934 mandrel.
- Safer than wire brushes and wheels.
